Hey Ms Latasha, I just looked at it and saw the underwriters went and updated it to that. The notes say they increased the dwelling coverage so that it would be totally covered in the event of a total loss. I apologize that your premium increased but lord forbid something does happen in the future, you will be glad you are well covered.

Best regards,

When I printed my homeowners policy several days ago my annual premium was \$1,282 and dwelling \$101,000. Today I received a packet and now my annual premium is \$1,452.00 and dwelling \$132,000 😳 😳 . WHY did it change without my authorization 😳 ?
